

Lead Environmental and Occupational Health & Safety Auditor Certification Course!

What is it?

This course is a pioneering integrated Lead Environmental and Occupational Health & Safety (EHS) Auditor Certification Course proudly developed and competently delivered by Seventh Sense.

Upon successful completion of this course, graduates will gain the knowledge and skills required to become an internationally certified Environmental and Occupational Health & Safety Auditor.

This highly interactive course is enhanced with practical audit activities and continuous assessment instead of one final examination creating a stress free and comfortable learning environment.

Course Outline

- Lead Auditor certification and examination
- Environmental and OHS legislation and principles
- Environment and OHS Management Systems
- Requirements of ISO 14001 and OHSAS 18001 standards
- Audit Standards – ISO 19011
- Audit principles
- Auditor skills and aptitude
- How to plan, conduct and report an audit

Why choose this course?

The course structure and fee is very economical as it offers training and examination for both Lead Environmental and OHS Auditing in 5 days instead of 10 days, and for only half the typical market cost of two courses.

The course examination activities are distributed throughout the 5 days allowing continual monitoring and enhancement of learner progress.

Upon successful completion of the course graduates will receive one certificate of attainment with the following **Exemplar Global (RABQSA) certified TPECS competency units:**

- RABQSA – EM Environmental Management Systems
- RABQSA – OH Occupational Health and Safety Management Systems
- RABQSA – AU Auditing Management Systems
- RABQSA – TL Leading Management Systems Audit Teams

Who Should Attend?

- EHS Directors, Managers and Officers
- Operational Managers and Engineers
- Food, Safety & Hygiene Managers
- EHS Consultants
- EHSMS third party / certification auditors
- Staff who may be required to undertake internal Environmental and Health & Safety audits or inspections
